

**COMPANY OVERVIEW**

The **SmartSolutions<sup>®</sup> Suite** of Integrated Platforms was introduced in the Philippines in the year 2000 by Maya del Rosario-Roessner and debut with the **SmartCampus<sup>®</sup> Solutions**. Later on, success in the educational industry paved way to explore into other business sectors. To date, we have over 1M smartcards and 500K RFID tags installed.

During the past two decades, our portfolio expanded to provide solutions for the Local Government Units (LGU), other Government Agencies, Telecommunication Companies, Amusement Parks, Electronic Road Tollways and Special National Security Projects such as the highly prominent **13th ASEAN SUMMIT 2007, APEC SUMMIT 2015, APEC CEO Summit 2015 and 30th ASEAN SUMMIT 2017**.

Today, **Unlimited SmartSolutions Corporation (USC)** continuously provides excellent and relevant business cases for the new **SmartSolutions<sup>®</sup> 360 Suite** such as, **SmartCampus<sup>®</sup>, SmartOffice<sup>®</sup> SmartStore<sup>®</sup>, SmartClub<sup>®</sup> SmartZone<sup>®</sup>, SmartIsland<sup>®</sup>, SmartCity<sup>®</sup>, SmartNation<sup>®</sup> and more.**
